

SALE OF EARTH FROM THE SITE OF KSRTC BUS TERMINAL COMPLEX, ANGAMALY

QTN. No. 01/KTDFC/BOTP/2008.

QUOTATION NOTICE

Sealed competitive quotations are invited for the sale of approximately 650 m³ of earth from the site for construction of the Bus Terminal Complex as per the terms and conditions given below:

- (1) Quotation forms are available from the Branch Office of KTDFC at OS – 59, 4th Floor, GCDA Complex, Marine Drive, Ernakulam – 682 031 and KSRTC Bus Depot at Angamaly, free of cost. Forms down loaded from our website can also be used for submitting quotation. It may be noted that no EMD is to be remitted along with the quotation.
- (2) Sealed quotations superscribed ‘quotation for purchase of earth’ are to be sent to the Branch Manager, KTDFC Branch, OS-59, 4th Floor, GCDA Complex, Marine Drive, Ernakulam – 682031, OR delivered direct, so as to reach that office before 3.00 pm on 15-02-2008.
- (3) Quotations will be opened at 3.30pm on 15-02-2008 in the presence of Bidders or their authorised representatives, if present at that time.
- (4) Successful bidder selected on evaluation of quotations shall remit a security deposit of Rs.10,000/- and execute the agreement within 3 days, on intimation from Head Office, KTDFC.
- (5) The earth is to be excavated from the site of construction of the Bus Terminal Complex at Angamaly, located near the junction of National Highway with M.C. Road where the KSRTC Bus Depot is presently functioning. The area will be demarcated by KTDFC. The excavation may have to go upto 3.50m below the existing ground level or as directed by KTDFC officials in charge. The quantity indicated as 650m³ is only approximate and for any quantity that is actually excavated the cost shall be remitted at the agreed rate. The measurements shall be finalised based on level measurements/tape measurements, following the usual practice.
- (6) Excavation and transportation of the earth, including stones and boulders which will not require blasting for breaking, shall be completed within a period of 15 days from the date of award of contract. In case the work is not completed within this period this contract will be terminated and the remaining part executed through other agencies at the risk and cost of the Bidder.

- (7) The price at agreed rate shall be remitted in advance before commencing the excavation work. If the actual quantity excavated is less than 650m³ the difference in cost will be refunded along with the security deposit, subject to the condition that the site should be left clean and level, as far as possible. If any excess quantity over 650 m³ is excavated on actual execution, the cost in respect of the excess quantity involved shall be remitted at the agreed rates, on receipt of intimation from KTDFC.
- (8) It may not be possible to carry out any excavation work or transportation of earth during day time. Therefore arrangements shall be made for carrying out the work during night time, with adequate lighting arrangements and other protective measures, if required.
- (9) It shall be the responsibility of the bidder to adopt all precautions for safety and security. KTDFC will not be responsible for any accidents or damage or loss which may occur due to negligence on the part of the contractor.
- (10) The work shall be planned and arranged in such a manner as not to cause any interruption to the movement of vehicles and the public and operation of buses by the KSRTC.
- (11) Bidder may visit the site and collect all required information regarding the site and the nature of works involved before quoting the price.

Chief Engineer (B.O.T. Projects)
